

Bee-Organic Promoting Healthy Eating

▶ WHO IS BEE—ORGANIC

Bee-Organic is an organic fruit and veg box scheme and we deliver seasonal organically grown fruit and veg boxes to Dundee, Carnoustie, Arbroath, Forfar, Kirriemuir, Blairgowrie, Coupar Angus, Perth, Newport, Tayport and St Andrews.

There are a range of boxes available with prices starting at £10 including free delivery.

Alternatively you can choose seasonally available items from the shop and make up your own “custom box”.

▶ HOW THE SCHEME WORKS

Parents register via the School fundraising page on the Bee-Organic website selecting the school they are supporting

Once registered, they would then place their order and indicate how often they would like a delivery i.e. weekly or fortnightly.

Each month Bee-Organic produces a report detailing how much was spent and a payment of up to 5% of the total parent spend is made to the school or Parent council

▶ FEATURES

School or Parent council promotes Bee-Organic box scheme to parents

Parents Register with Bee-Organic and start receiving their regular delivery of fresh fruit and veg

The more the parents spend the more the school earns

▶ BENEFITS

Encourage Healthy Eating

Support Local Farmers

Raises Funds for the School
